

QuestionCopyright.org (C-2945514) • CA Form 3500

7f: *A statement describing in detail each type or source of funding, each fund raising activity, and each business enterprise the organization has engaged in or plans to engage in either alone or with other parties (accompanied by copies of all agreements, if any, for the conduct of each fund raising activity or business enterprise).*

QuestionCopyright.org plans to raise funds primarily in two ways: through small-scale donations from the public, and project-specific grants from grant-making organizations.

We already accept donations on our web site, but have as yet made no concerted effort to solicit such donations (for example, via a fund drive for a specific project), in part because we wish to secure both state and federal tax-exempt status first. Thus far we have received only one or two donations (of about \$20 each) from web visitors, and we have informed the donors that their donations are not tax-deductible at this time. We expect the frequency of this kind of donation to increase somewhat after we start actively soliciting donations for specific projects.

The bulk of our funding will likely come from foundations, and we have listed some specific candidates in our Financial Statement (see the attachment for question **7c**).

QuestionCopyright.org has entered into no agreements for the conduct of any fundraising activity or business enterprise.

7g: *A statement that fully explains any discontinued specific activities that the organization engaged in or sponsored. Give dates of commencement and termination and the reasons for discontinuance.*

QuestionCopyright.org is a new organization and has discontinued no activities.

7h: *A copy of each lease, if any, in which the organization is the lessee or lessor of property (real, personal, gas, oil, or mineral), or in which an interest is owned under such lease, together with copies of all agreements with other parties for development of the property.*

QuestionCopyright.org is not a lessor or lessee of any property.

7i: *Summary of any literature that the organization sells or distributes and summary of any organizational advertising.*

QuestionCopyright.org does not sell or physically distribute any literature, beyond what is available electronically from our web site. We have little organizational advertising, but we do offer bumper stickers with copyright reform slogans: see <http://www.questioncopyright.org/gear>. The stickers are sold on the web site at near-cost, and we give often them away for free at conferences and talks. (Although called “bumper stickers”, they fit on the back of a standard laptop computer and are more often found there than on an automobile.)
